

GEAR PUNCH™

RATED FOR MILD AND STAINLESS STEEL

- iTOOLco's SLICK-CUT™ technology allows 1/2" through 6" punches and dies to cut through an industry leading 10 gauge mild and stainless steel while maintaining the sharpness of the cutting edges
- Gear Punch™ tool will work with any make or model of corded or cordless drill, new or old drills, no special additions needed
- Punches and dies are clearly marked with trade standard conduit sizes as well as Center Point™ marks for perfect alignment, no matter what direction you cut from
- Lightweight and easy to use
- Gear Punch™ tool is compatible with other punch and die offerings
- Lifetime replacement on Draw Studs
