

# MULTI-ROLLER HANGER™

FEED WIRE EASIER THAN EVER

**iTOOLco.**

**Lightweight.**

**Multiple mounting options.**

**Quick one pin installation.**

Mount large radius rollers effortlessly to manholes and other fixed edges. Lightweight and durable, the Multi-Roller Hanger™ is designed to extend the performance of iTOOLco's 24" and 36" Multi-Rollers for smarter rigging on wire pulls. Attach it to Unistrut, cinder blocks – or simply anchor it to concrete.

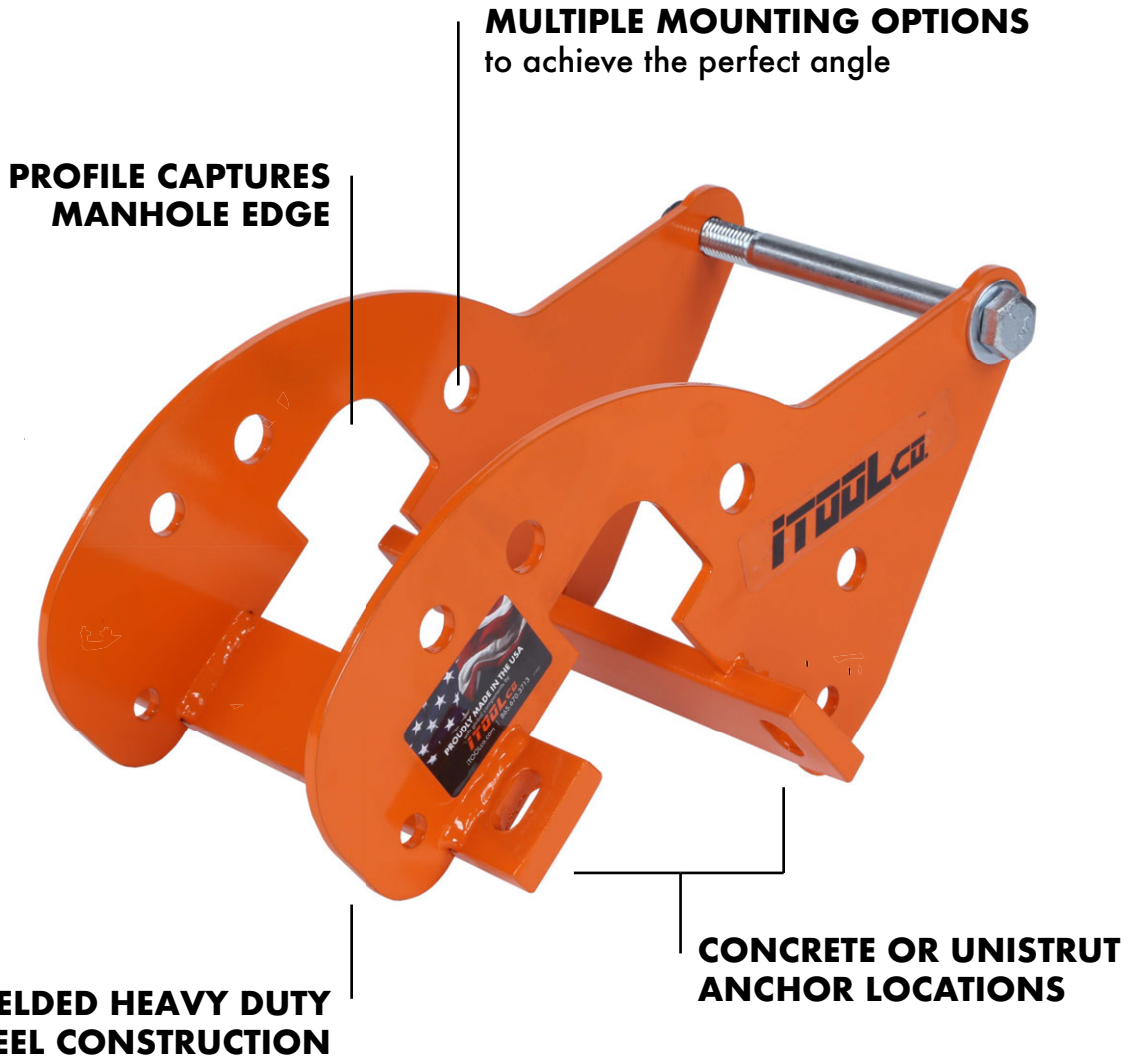

**FASTER SAFER WORKSPACE**
