

CURB ROLLERS™

PULL WIRE OVER SHARP CORNERS

iTOOLco.

CR10
(10,000 Lb Rated)

Mounts over 2" rigid pipe

CR20
(20,000 Lb Rated)

Will roll rope or wire over any edge

Rounding curbs, edges, or pipes on wire pulls has never been easier. With iTOOLco's Curb Rollers™, wire rides on multiple bearinged rollers for a smooth feed around any sharp corner. Perfect for many different pulling and feeding situations - curbs, manholes, in and out of electrical boxes - the specialized roller design makes the tool perfect for most jobsite applications.

Great companion tool for
iTOOLco's Real Jacks™
